Empower Your Future with PMLCT

The Department of Linguistics at the University of Dhaka is pleased to announce admissions for the Professional Masters in Language Communication and Technology (PMLCT) programme. This 18-month, research-focused programme bridges the gap between language studies, communication strategies, and language technology to create innovative professionals equipped to excel in diverse fields.

Why Choose PMLCT?

Versatile & Interdisciplinary Focus

A perfect blend of linguistics, communication, and technology

Specialised Career Paths

Pathways in :

1. Inclusive Education and Management
2. Language Technology
3. Media Communication & Translation Studies

Hands-On Skills in Technology

Develop practical skills in linguistics to connect computer programming and artificial intelligence for natural language processing.

Global Orientation & Research-Based

Learn and apply concepts in real-world and academic scenarios with global insights and rigorous research methodologies.

Career Opportunities

- Language Educators and Professionals in Inclusive Education
- Media Communication Specialists
